Graphic novels are, by simple definition, book-length comics. Sometimes they tell one continuous narrative from the first to the last page; sometimes they. Watchmen is a comic book series that is a "one" narrative that goes on and on (as long as time and memory allow) without interruption, no matter what happens. And everything would be fine if not for one thing - "Watchmen" is a

comic book in which there are a lot of characters and events.

And, in fact, it is one huge canvas, which, if you are too careful, can easily tire.
