### **What's New in the BYclouder Windows Phone Data Recovery?**

BYclouder Windows Phone Data Recovery is the fastest and easiest Windows Phone file recovery software that is dedicated to help you recover data from corrupted or damaged storage devices on your Windows Phone. As known to all, almost every time we delete some content or photos from our Windows Phone, somehow, part of it will be damaged and lost. On top of that, sometimes, due to reasons that are sometimes hard to figure out, the system can't properly recover the missing information. But what if there was a way to recover the missing data without voiding your warranty and wasting all those coins you paid for your phone? Luckily, Windows Phone Data Recovery can help you out. Even though it wasn't designed to recover data after an unfortunate mishap, it was designed for the very purpose of recovering corrupted or missing Windows Phone data. After installing, you will have to specify the location where you would like the recovered data stored. This may be your SD card, your internal or external memory, or your PC. It doesn't matter; just pick one that works for you. Once done, it will prompt you to specify the Windows Phone model you are running. This is a precaution so the application will work regardless of whether you are connected to a PC or not. No fiddling around with USB connections, cords, or anything of the sort. Once you have done that, simply press the Start button and the program will go to work. The program will start scanning your Windows Phone and show you everything that was found on it. You will then be able to select the missing files that you want to recover and it will proceed to do just that. If you ever encounter a problem with BYclouder Windows Phone Data Recovery, don't forget to look through the solution guide. It should serve as a golden source of information to help you out. The more you understand the program, the less likely you will have problems with it. ByClouder is a well known French company that specializes in repairable customized solutions for consumer electronics. Rating: 1 VATICAN CITY (Catholic Online) - Pope Francis will celebrate a 40th birthday mass for crowds of Italian people on Saturday, June 29, in Rome. It will mark the first time he will be celebrating the landmark event as pope. The daily newspaper "Il Messaggero" reports that for some people, the event is symbolic of the fact that the pope has been in office for as long as I
