You can download Life Poster Maker from its official website.By Ben Cohen, Business Insider In case you haven't noticed, there are a lot of big companies starting to use the app Slack, a messaging app built in a person's browser. Slack is actually pretty good at what it does. It's among the best of the messaging apps out there. And it's not even the new generation of messaging apps. WhatsApp, a Facebook owned company, remains the best. So what's the big deal about Slack? The big deal is: It's based on the email platform. Not just email, but the email service we grew up with: Google. Slack gets this. So what? Slack
