Surely, the post- response/hindsight is almost 100% certain to win out, and this would just set back the inevitable. ~~~ michael\_dorfman I suspect that Mr. Mustache isn't suing Monsanto just for monetary compensation -- he's suing on the basis of a perceived injury to his reputation. He feels "tricked" into participating in a corporate campaign of fear-mongering. He seems to feel that such a campaign is illegal, and intends to sue and/or report the campaign to regulators. ~~~ ph0rque I understand that, but he's not going to win. Does he not have access to the FDA's Guidance for Industry on the Risk Evaluation and Mitigation Strategies (REMS)? ~~~ michael\_dorfman \_He seems to feel that such a campaign is illegal\_ Assuming that he's right, the question is what the penalty would be for such activity. 6d1f23a050
